

# **GATE** Parent Association

*...advocating for quality education for the gifted in Canada's public school system.*

The mandate of The GATE Parent Association (GPA) is to advance the opportunity for enriched learning environments for gifted and talented children.

Donations to the GPA go directly to the following areas:

- **Education Sessions for parents and professionals**
- **Circulation of current literature and information through our Newsletters**
- **Advocacy at school, community and Provincial levels for Gifted Education**
- **Communication linkages through our website**
- **Financial support for all GATE sites within the Calgary Board of Education**

The GPA has directed the parent's generous donations to all of the GATE school sites for the following:

- **Educational resources for students**
- **Special Field trips**
- **Books/adaptive technology**
- **Professional education for teachers (Conferences, books, Specialists to assist with curriculum development)**

There are more opportunities to support gifted children than there are funds held by the GPA at this time. A key initiative of the GPA is to focus on education for parents and teachers of gifted children. The GPA feels that this will directly benefit all gifted children. The Association will be accountable to you in this regard by providing educational events, literature sources and parent discussion sessions to keep parents informed and learning from each other's experiences. Therefore, the GPA is asking you to make a financial contribution to the GATE Parent Association.

**All donations will receive Tax Receipts.**

## **TO MAKE A DONATION**

**Please make checks payable to:**      The GATE Parent Association

**Mail your donation to:**
